Good Afternoon,

As I have indicated in previous communications, the Canastota Central School District has been coordinating with Madison County and several other neighboring school districts as we respond to the Coronavirus issue. This afternoon, Madison County declared a state of emergency effective 2:00pm. As a result, I am announcing that Canastota Schools will be closed through April 13, 2020 or until further notice. Staff members will be reporting on Monday to continue to work on plans that will support students and their families during this unique and unprecedented challenge. Additional information regarding academic support for students and assistance with providing continued food service will be forthcoming on Monday.

As we navigate through this difficult challenge, I want to assure you that the school will do everything in its power to support our school and community. Our routine may be altered for the immediate future, but our work will continue. I would like to thank all of you that have offered outstanding suggestions and offers of support; it is that positive approach to facing a challenge that makes our community second to none. I will continue to provide daily updates to the school community throughout the week as plans evolve. Please continue to support each other, and stay safe.

Sincerely,
Shawn D. Bissetta
Superintendent of Schools
