Update #13

3/22/20

7:00pm

Dear Families:

After consulting with the Madison County Department of Health today, Breakfast and Lunch meals will continue to be delivered and will be available for pickup tomorrow, Monday, March 23, 2020. The school district employee who tested positive for COVID-19 has not been in our cafeterias and has not played a role in preparing any meals for students.

Please remember that, other than food pickup, no one should be congregating on school grounds. More specific information is available on our website.

Sincerely,
Shawn D. Bissetta
Superintendent of Schools
